ELLISON VIEW SURGERY AUTUMN NEWSLETTER

DO YOU HAVE ACCESS TO THE INTERNET?

You can save time by ordering your prescriptions online and you can also book your GP appointments online too. Patient access allows you to view your detailed coded medical record. Please see receptionist for patient access details.

FLU VACCINES:

Flu vaccines are now available for any adult over 65 or anybody with any chronic diseases. Please see receptionist to book an appointment.

SHINGLES VACCINES:

Shingles vaccines are available for any adults between the ages of 70-73 and 78-79. Please see receptionist to book an appointment with nurse.

NHS HEALTH CHECKS:

If you're aged between 40-74 then you can have circulatory and vascular health checks. This check will also include advice and support.

YOUNG PEOPLE:

Young people 14+ can make an appointment to see anyone at the practice without an adult if they wish.
